Action Taken Report (IQAC meeting held on 01.07.2020)

1. Provision of Online Educational Gadgets and Tools

Action Taken:

- Various departments provided students with essential online educational gadgets and tools.

Outcome:

- Students reported a significant improvement in their ability to attend and participate in online classes.
- There was a noticeable increase in student engagement and completion rates for coursework.
- The digital divide was effectively minimized, allowing equitable access to education for all students.

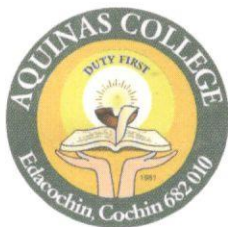

2. Counselling Centre for Mental Health Support

Action Taken:

- A counselling center was established within the college premises, equipped with a private consultation room.
- Qualified mental health professionals, including psychologists and counsellors, were hired to provide support to students.
- An online platform was set up for virtual counselling sessions to ensure continuous support during lockdowns and movement restrictions.
- Workshops and webinars on mental health awareness and coping strategies were conducted regularly.

Outcome:

- The counselling centre received positive feedback from students who utilized the services, reporting improved mental well-being.
- There was an increase in awareness and open discussions about mental health issues among the student community.

(Affiliated to Mahatma Gandhi University, Kottayam)

- Students experiencing anxiety, depression, and other mental health challenges received timely and professional help, leading to better academic performance and personal development.
- The stigma surrounding mental health issues decreased as more students sought and received help.

3. Report of Online Classes

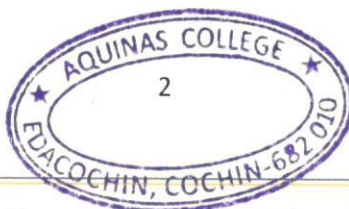

Action Taken:

- A new digital documentation system was developed and implemented to track online classes.
- This system replaced the traditional teacher's diary, allowing for more accurate records of class activities.

Outcome:

- The new documentation method provided a more streamlined and efficient way to record online classes.
- Teachers found the system user-friendly and appreciated the ease of updating and retrieving information.
- The accurate records helped in maintaining the quality of education during the pandemic, ensuring that learning objectives were met despite the challenges.
