

AQUINAS COLLEGE

Edakochi, Kochi 682010

Reaccredited by NAAC at 'B+' Grade

☎ (0484) 2977781, 9497577181

(Affiliated to Mahatma Gandhi University, Kottayam)
Action Taken Report

(IQAC meeting held on 07.12.2020)

1. Organization of Multidisciplinary Webinars

Action Taken:

- The college organized a series of multidisciplinary webinars titled "Illuminato 2.0" to promote interdisciplinary learning.
- Experts from various fields, including science, technology, humanities, arts, and social sciences, were invited to share their knowledge and insights.
- The webinars were conducted online through platforms such as Google Meet to ensure accessibility for all students.
- Promotion of the webinar series was done through email, social media, and the college website to maximize student participation.
- Each session included interactive Q&A segments to engage students and allow them to delve deeper into the topics discussed.

Outcome:

- The "Illuminato 2.0" webinar series was well-received, with high participation from students across different disciplines.
- Students reported an enhanced understanding of various subjects, appreciating the opportunity to learn from experts in diverse fields.
- The webinars fostered an environment of interdisciplinary learning, encouraging students to explore connections between different areas of study.

2. Focus on Intellectual Property Rights

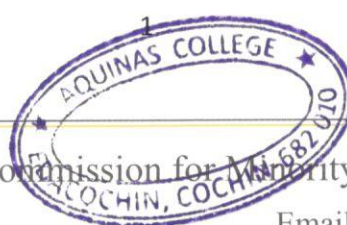

Action Taken:

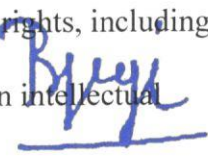

- The college organized several webinars focused on intellectual property rights (IPR) to educate students on this crucial topic.
- These webinars covering various aspects of IPR, such as patents, copyrights, trademarks, and the significance of protecting intellectual property.
- Legal experts and industry professionals were invited to conduct these sessions, providing students with practical insights and real-world examples.

Outcome:

- Students gained a comprehensive understanding of intellectual property rights, including the legal frameworks and processes involved.
- The programs equipped students with the knowledge to protect their own intellectual property and navigate the complexities of IPR in their future careers.
