Action Taken Report (IQAC meeting held on 29-05-2020)

1. ILLUMINATO Webinar Series Evaluation:

Action Report:

- Feedback was collected and analyzed to understand participant experiences.
- Strengths identified included the quality of speakers, relevance of topics, and high levels of engagement.
- Areas for improvement such as session duration, technical issues, and more interactive Q&A sessions were noted and addressed for future webinars.

Outcome:

The evaluation provided valuable insights into the success and areas for improvement of the webinar series. The high participation and positive feedback affirmed the effectiveness of the series, while the identified improvements guided the planning of future events.

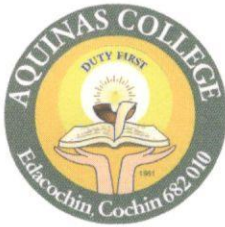

2. Planning for Future Webinar Series:

Action Report:

- A list of potential topics for upcoming webinars was compiled, focusing on current trends and interests.
- Potential speakers, including industry experts and academicians, were identified

Outcome:

- A robust plan for future webinar series was developed, ensuring continued engagement and value for the college community. Diverse topics and formats were set to cater to varying interests and promote broader participation.

3. Result Analysis and Online Feedback:

Action Report:

- An improved online feedback form was developed, focusing on specific aspects of the academic experience.
- A timeline was set for the collection, analysis, and reporting of feedback.

Outcome:

- Enhanced strategies for result analysis and feedback collection were implemented, leading to more actionable insights for continuous improvement in academic and administrative processes.

4. Presentation of AQAR and Annual Plan:

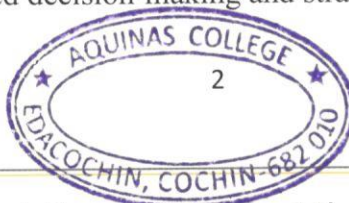

Action Taken :

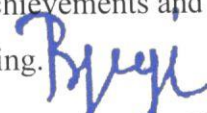

- Data for the AQAR was compiled and organized for presentation.
- The Annual Plan was prepared, outlining the objectives, initiatives, and strategies for the upcoming academic year.
- Both the AQAR data and Annual Plan were scheduled for presentation before the College Council in June 2020.

Outcome:

- The preparation for presenting the AQAR data and Annual Plan ensured that the College Council would have a comprehensive understanding of past achievements and future goals, fostering informed decision-making and strategic planning.
